

## Réponses au questionnaire

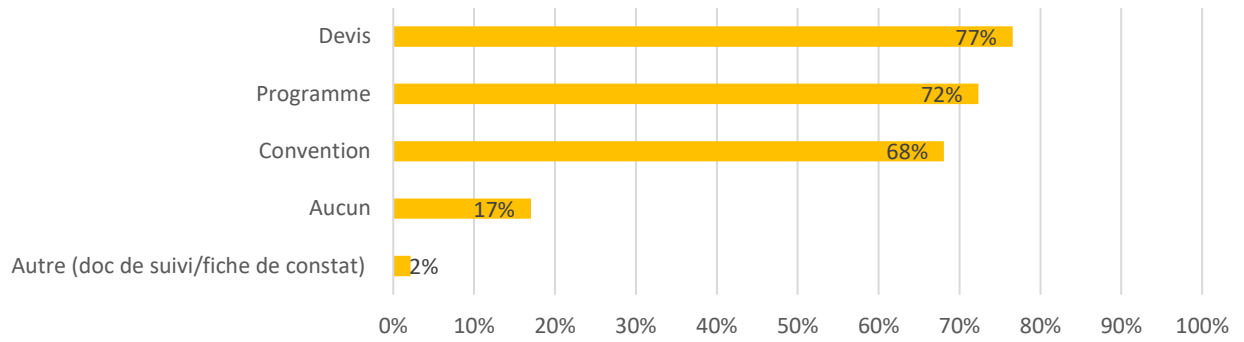

En 2017, la Fédération Addiction a lancé un questionnaire en ligne auprès de ses adhérents pour avoir une vision plus claire de l'investissement du secteur dans la prévention des addictions en milieu de travail et mieux identifier les modalités d'intervention en cours. 51 structures y ont répondu.

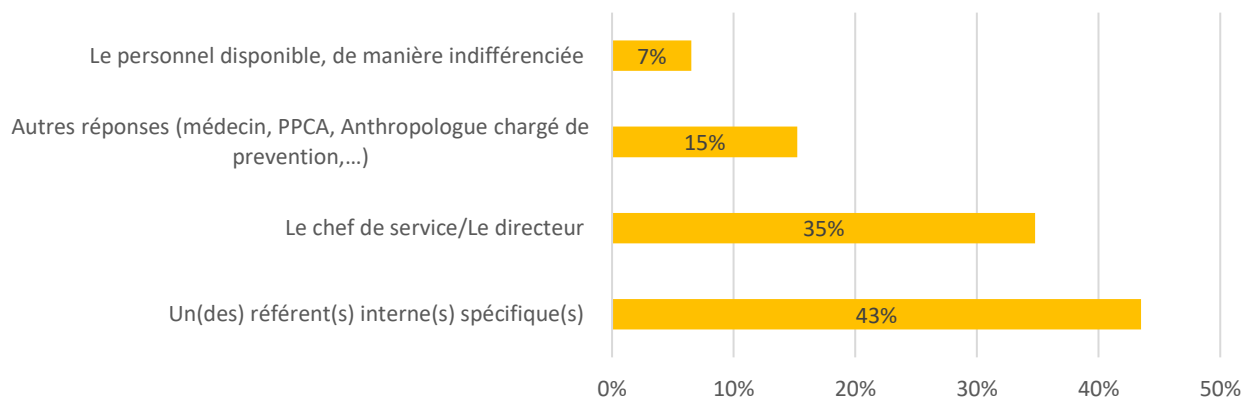

### Type de document établi pour les formations

N = 47

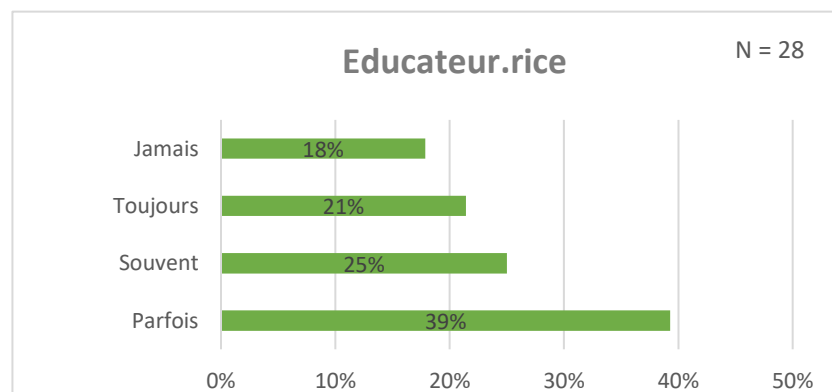

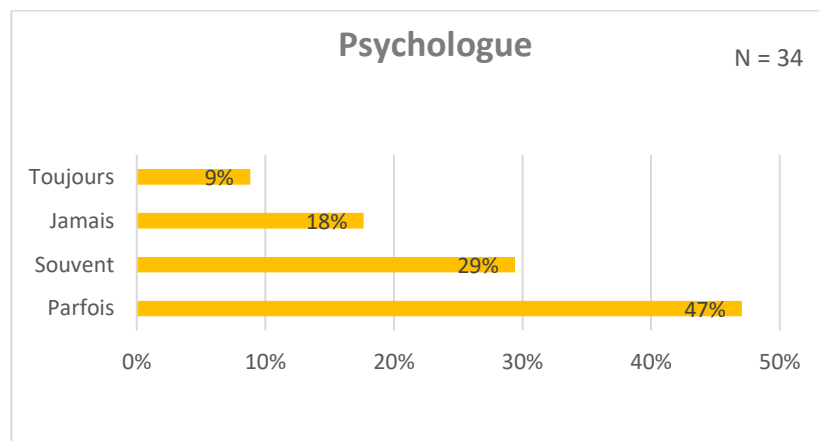

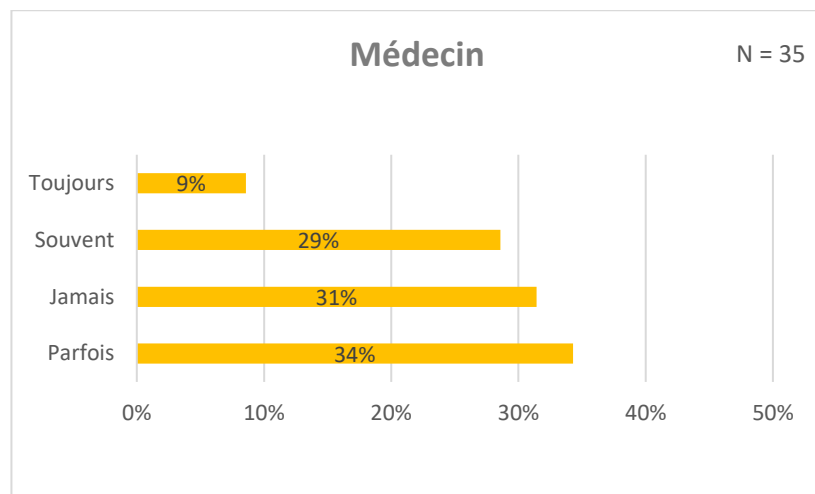

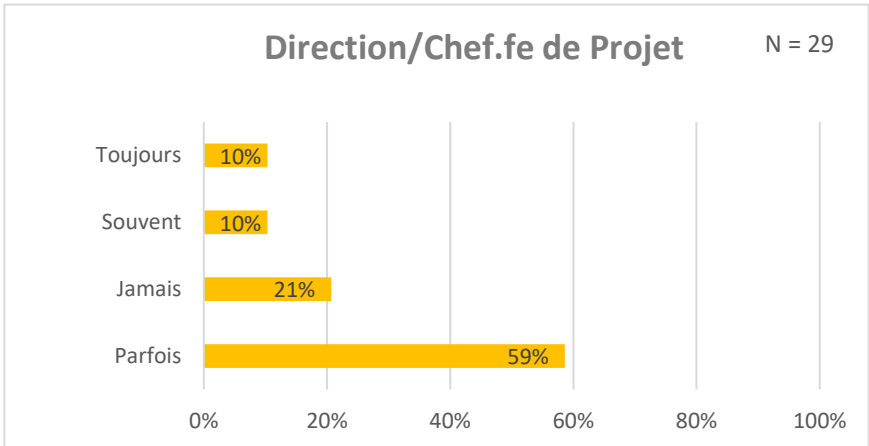

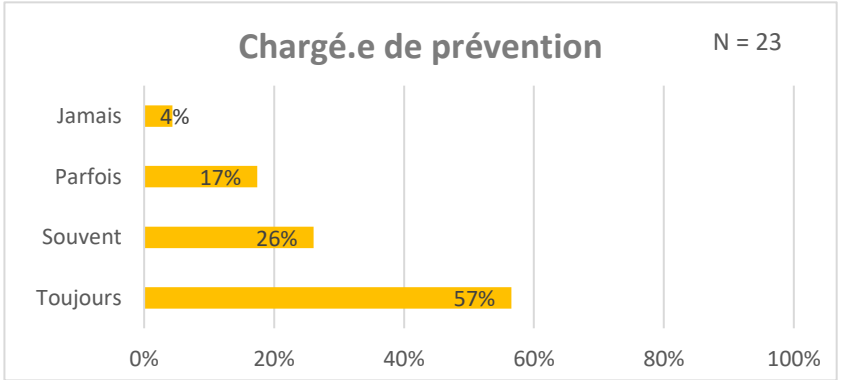

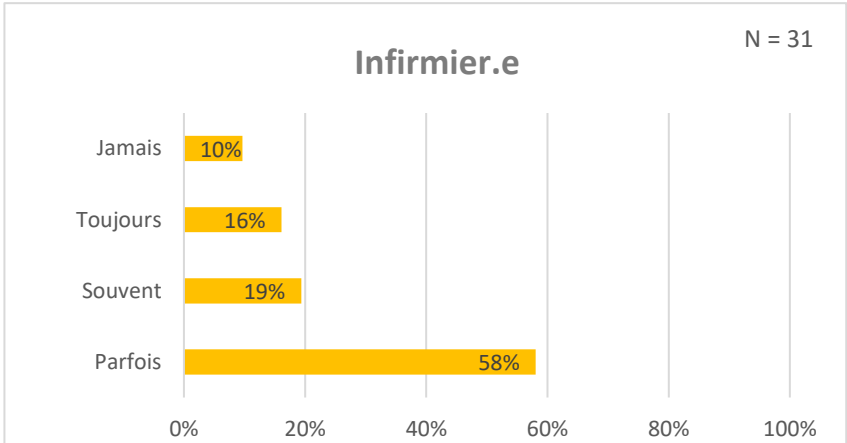

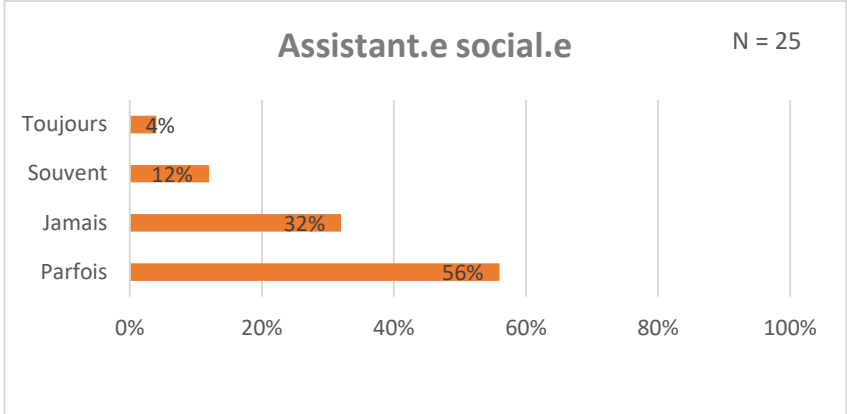

### Acteurs vers qui sont orientés les demandes d'intervention

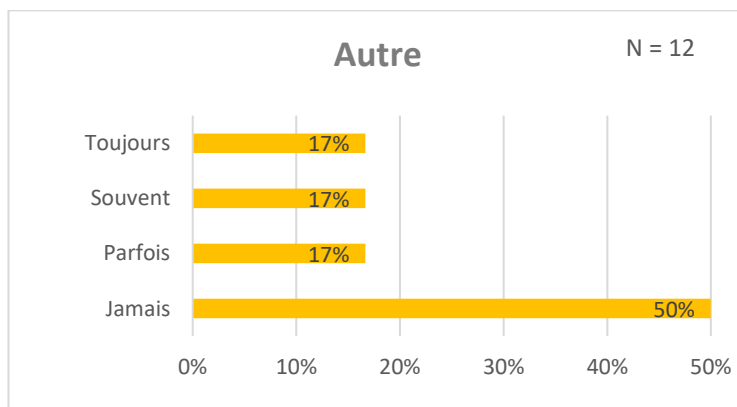

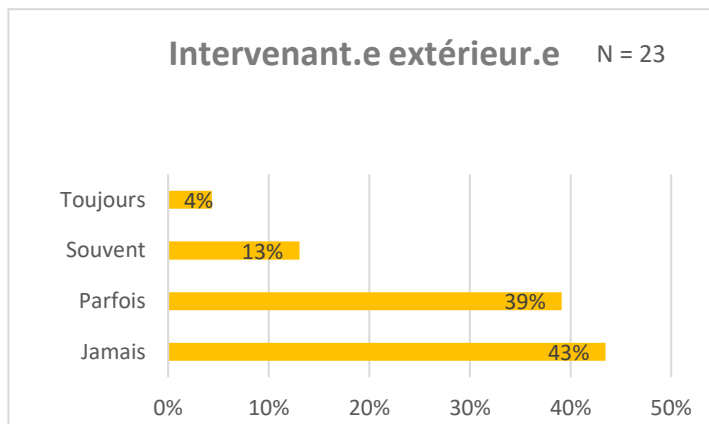

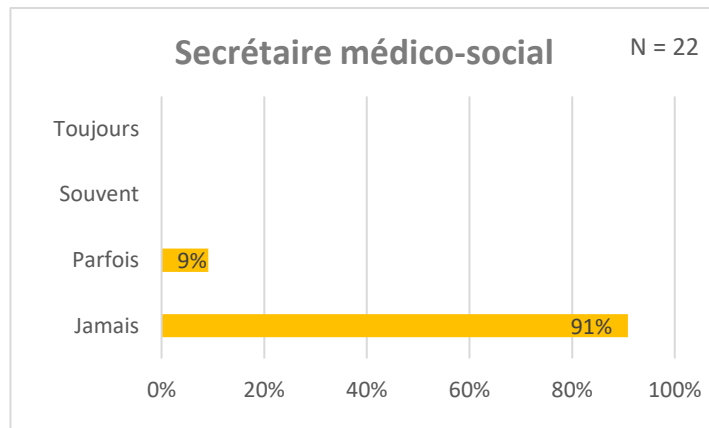

N = 46

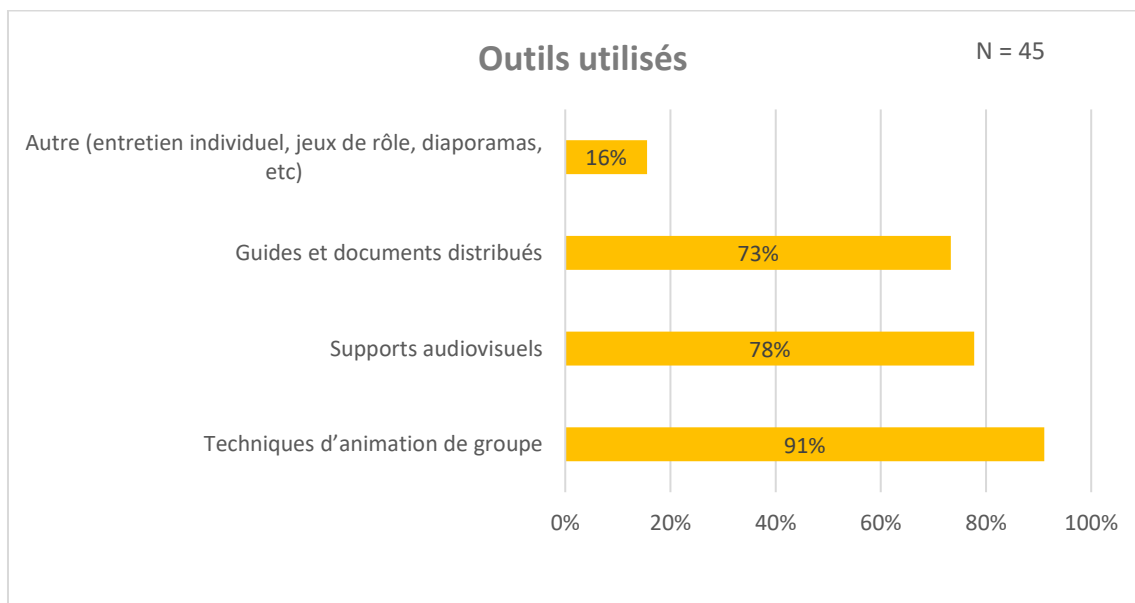

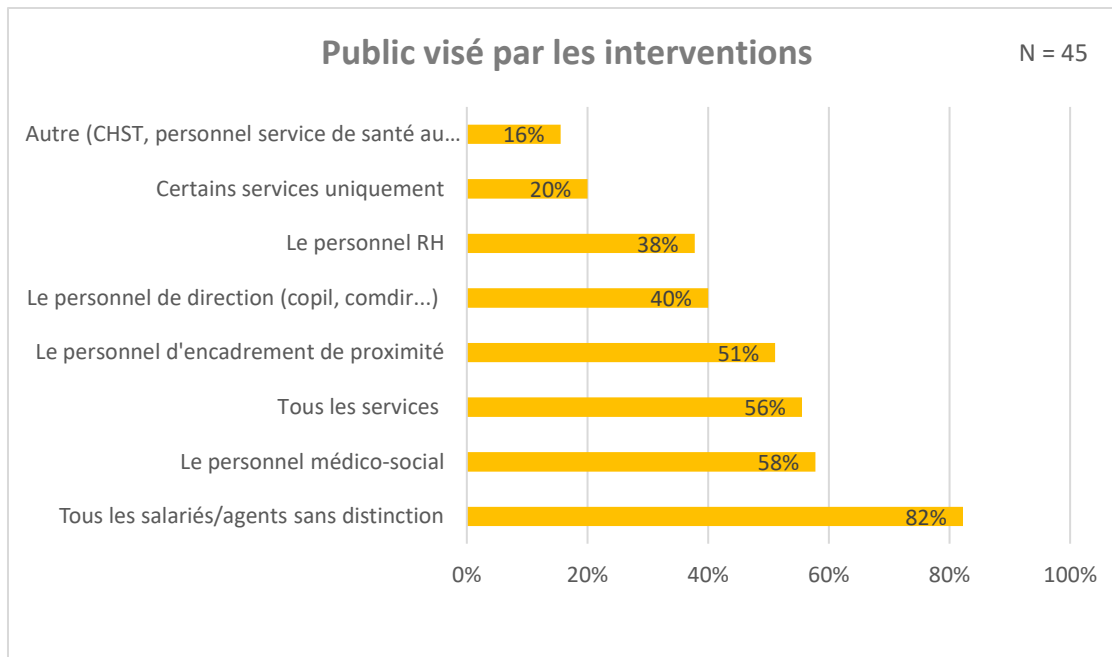

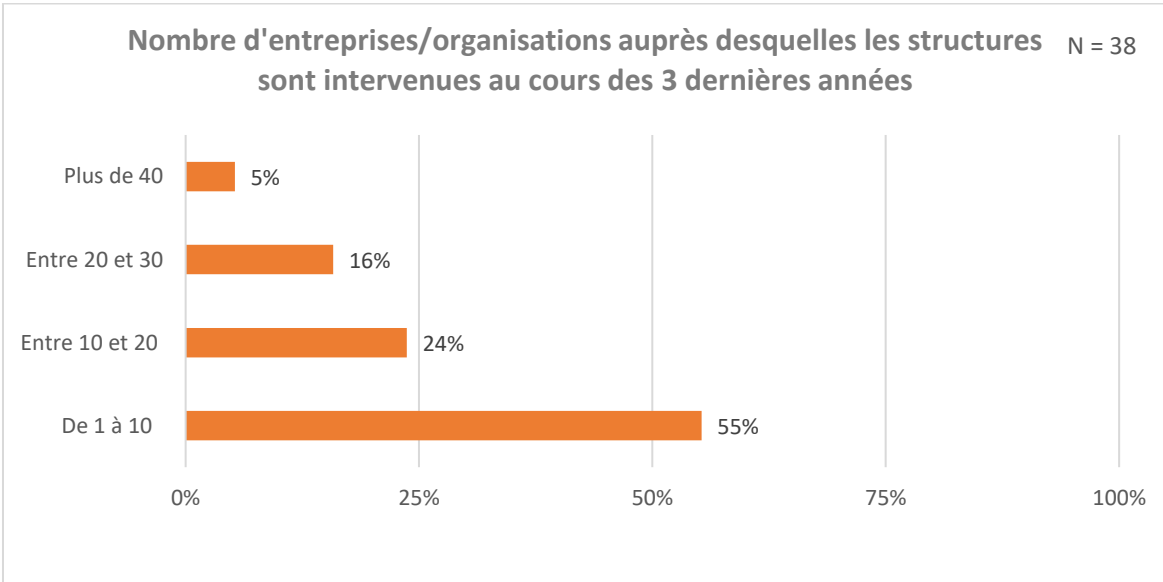

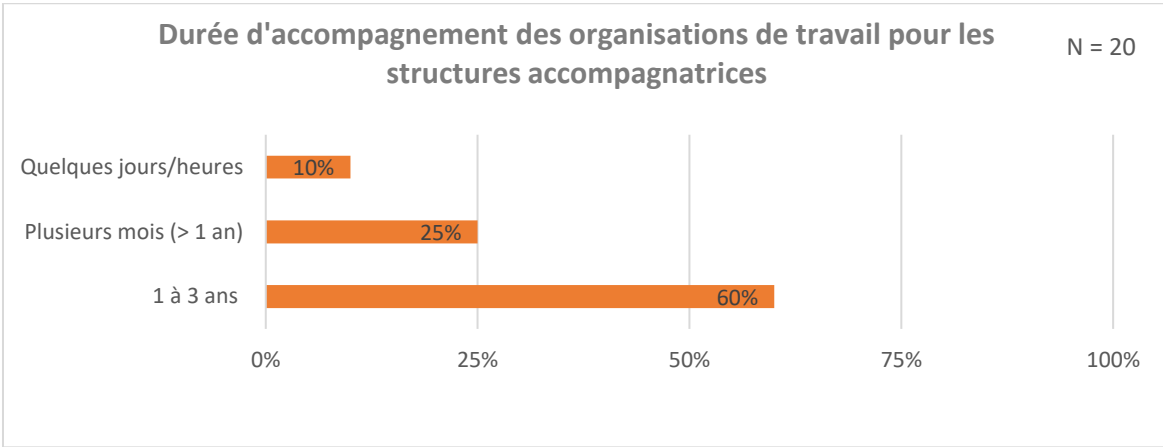

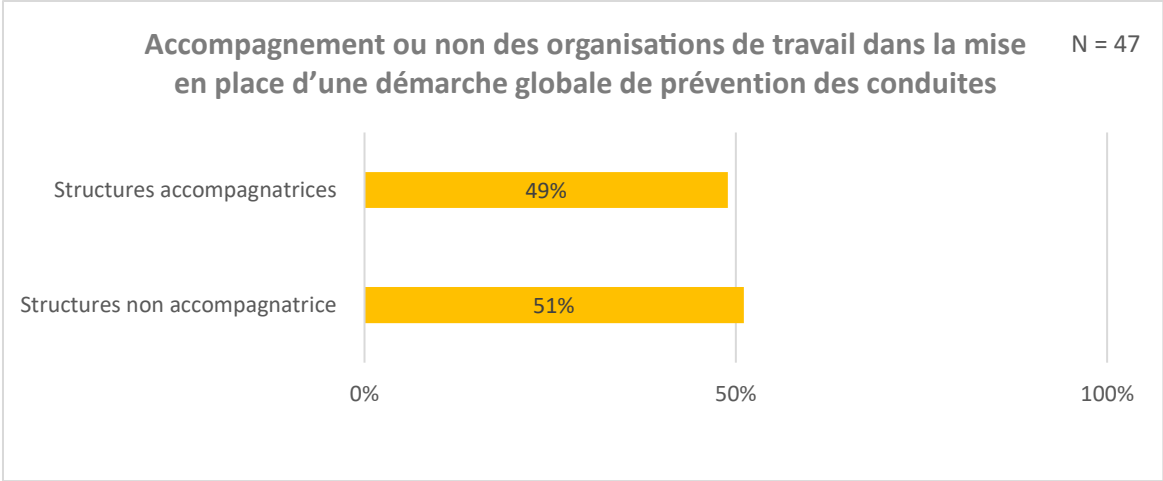

## Fréquence d'intervention par profession

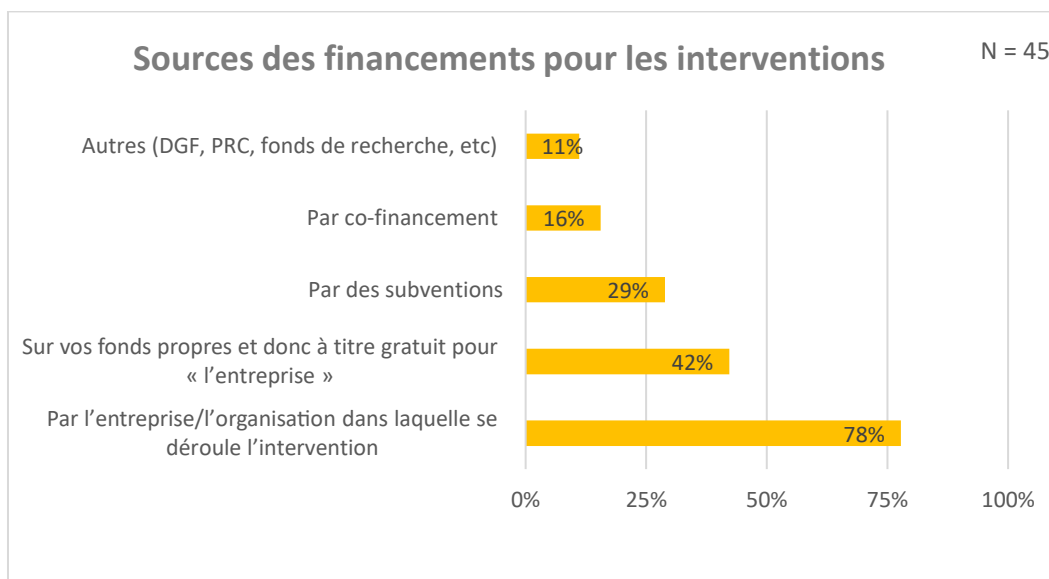

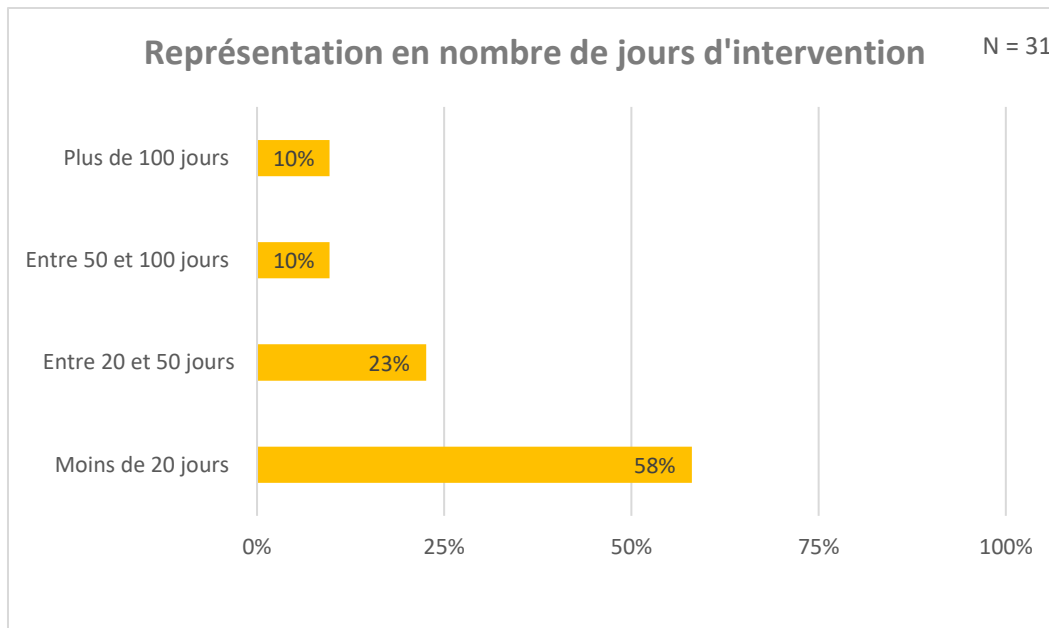

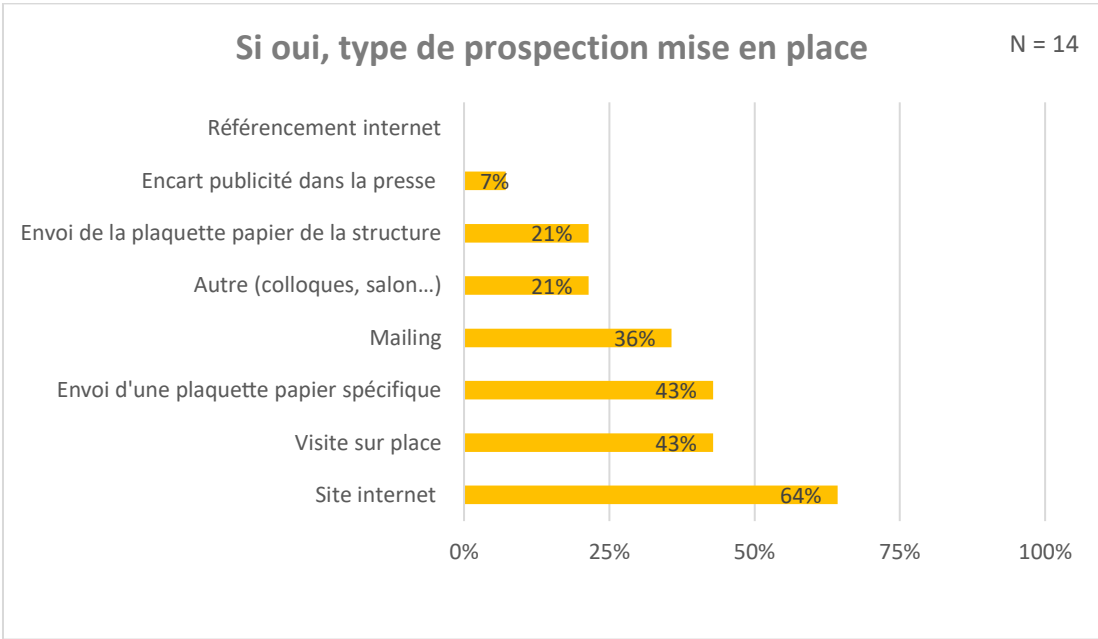

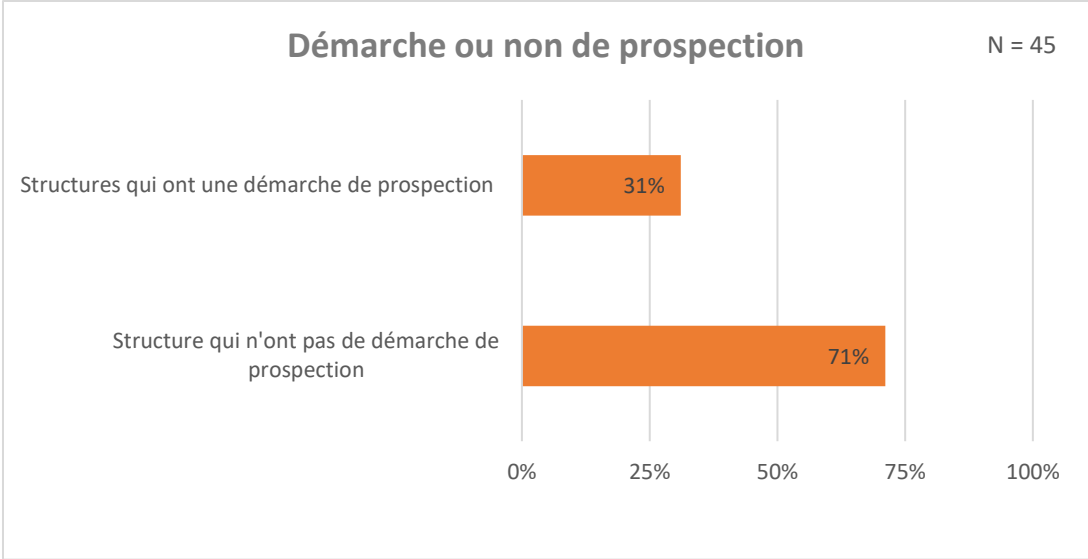

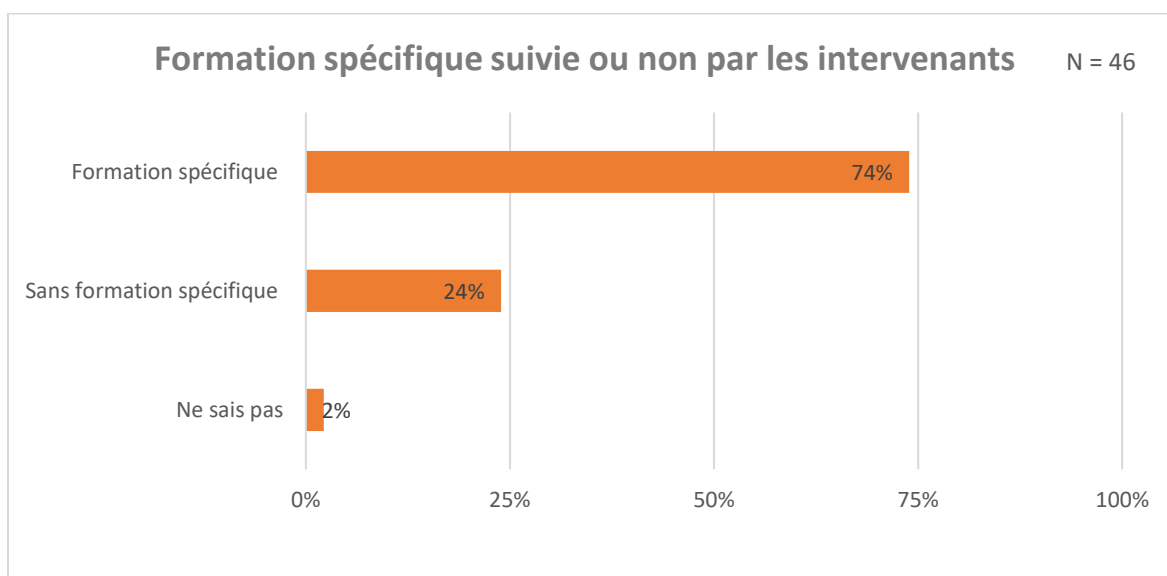

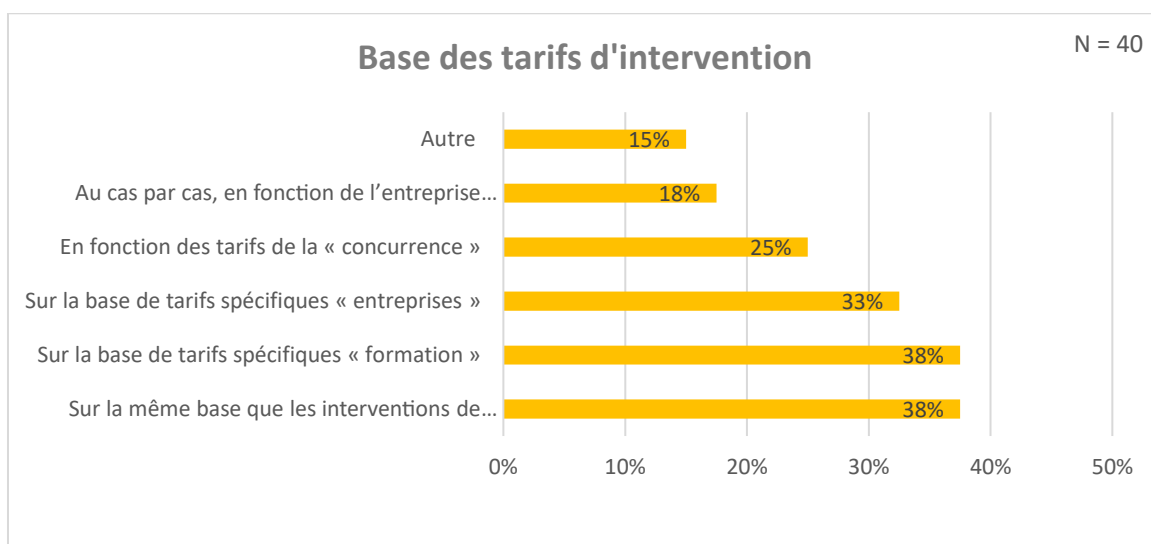

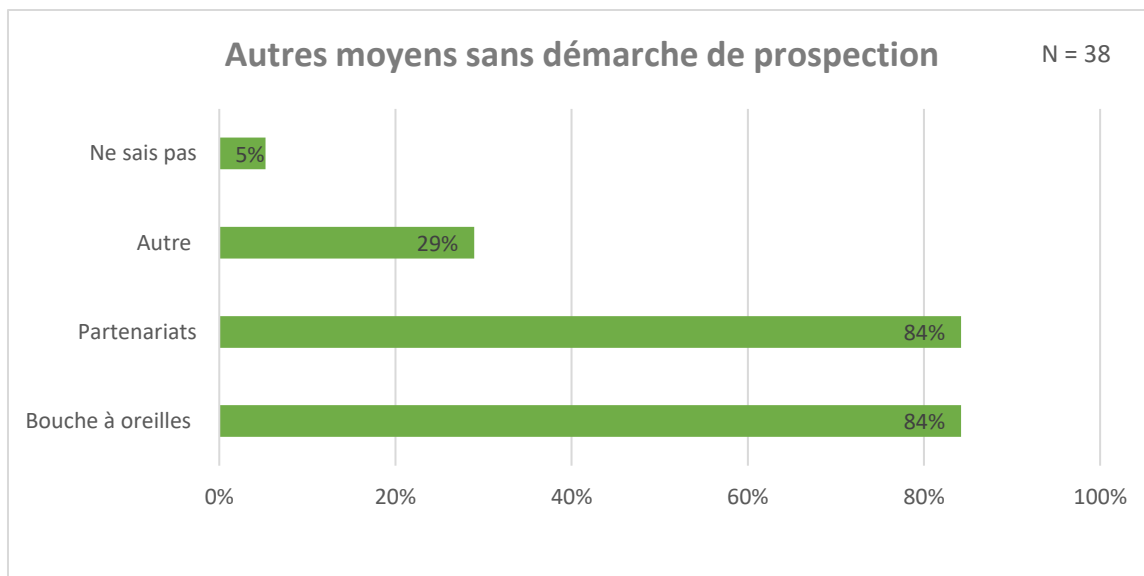

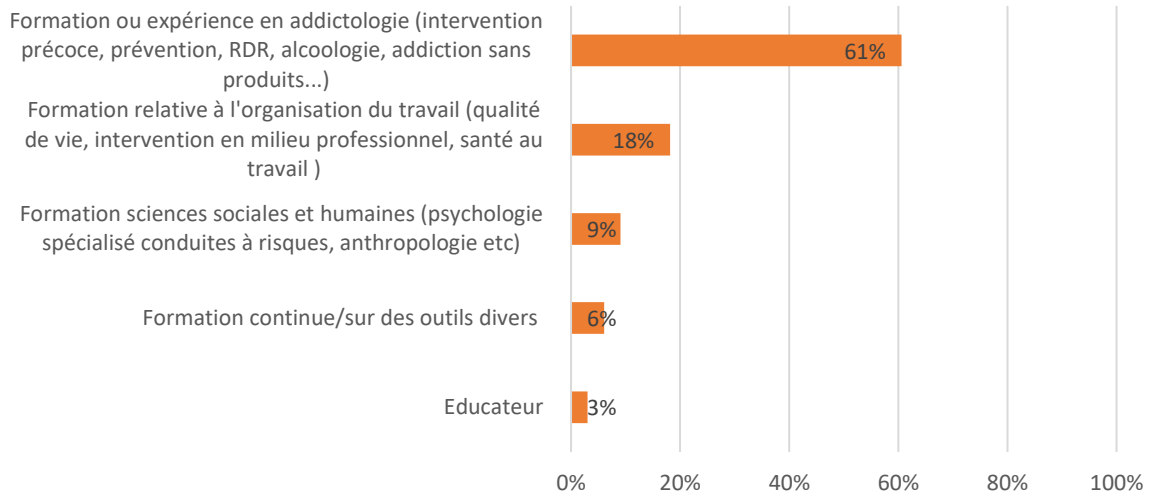

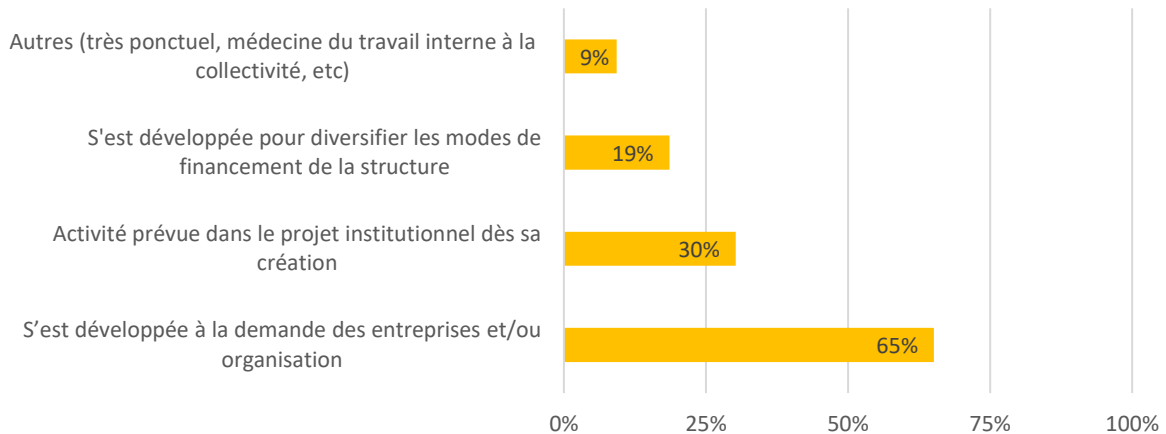

## Type de formation des intervenants

N = 33
